

# Introduction to Machine Learning (Online edition)

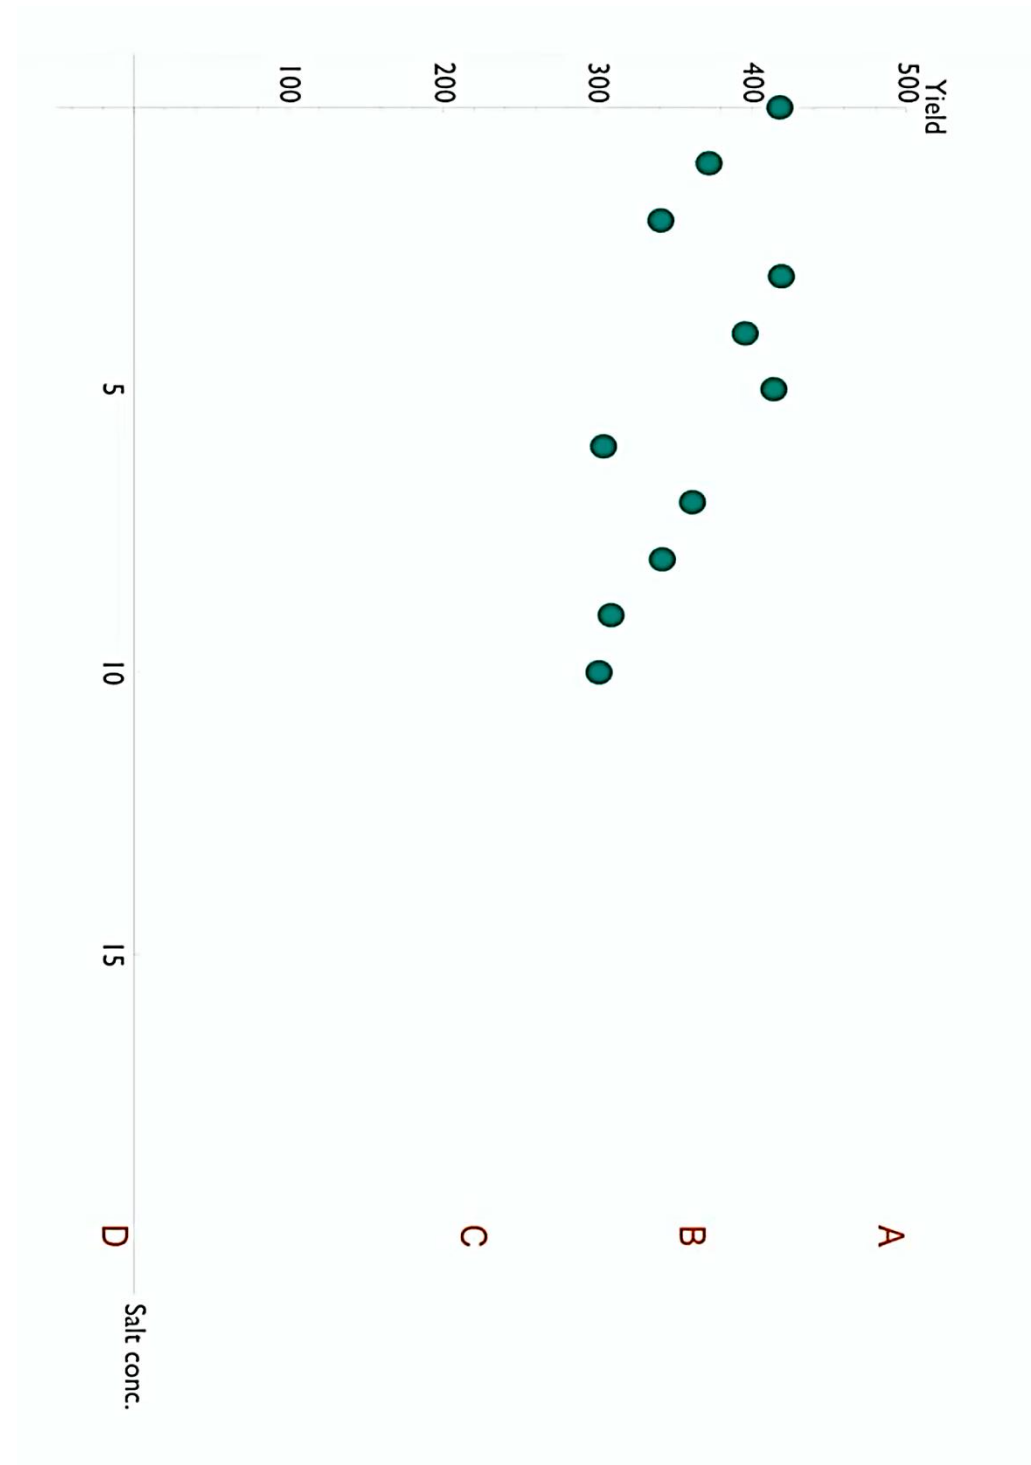

Print at home resources

This pack has been put together for you to print should you choose to.

Although the same resources will be available to you to interact with through the online course platform, some people find that a physical set of resources is easier to interact with.

You will also need a pair of scissors to carefully cut out all the cards on the following pages.

You will have 24 cards from the next page and 20 from the pages after this.
